## Summer

A sunny garden with barbecue, garden seating and a marvelous view of the Engadine mountain await you.

## How To Get There

Scuol is located in the lower Engadine, an alpine valley in Switzerland. It belongs to the national park region.  
Scuol is easily accessible by car or train even in winter.

The 300-year-old house built in the traditional style of the Engadine valley is located in the heart of Scuol. It accommodates 8 to 15 people.

## Living and Eating

The cozy atmosphere of the house and the rooms is typical for the Chasa Minar. A lot of space and modern comfort are at your disposal, including five bedrooms, a living room and a lounge, a fully equipped kitchen, washing machine, dryer, a private spa area with massage shower and an infrared sauna.

In the summer the surrounding garden with barbecue invites you to relax.
